

DAVID LEE, MD

Corona, California | (714) 406-0031 | david@dsl-md.com

PROFESSIONAL SUMMARY

Dual board-certified Child, Adolescent, and Adult Psychiatrist with over a decade of clinical, leadership, and forensic medical-legal experience across inpatient, crisis, telepsychiatry, correctional, and civil litigation settings. Proven track record as Medical Director and Chief Fellow, driving quality improvement, physician mentorship, and operational excellence. Adept at providing comprehensive psychiatric care for children, adolescents, and adults — including high-acuity, justice-involved, and medico-legal populations.

LICENSURES AND CERTIFICATIONS

California Medical License: A153279 (Active)

California DEA: FL7423419 (Active)

Board Certified: Adult Psychiatry

Board Certified: Child and Adolescent Psychiatry

EDUCATION AND MEDICAL TRAINING

Post-Residency Fellowship Training, Child and Adolescent Psychiatry — Chief Fellow | *Kaiser Permanente Fontana* | July 2019 – June 2021

- Served as primary liaison between program leadership, faculty, and psychiatry fellows; led recruitment, onboarding, and mentorship for incoming physicians.
- Coordinated lecture curriculum and departmental retreats in partnership with the program director.

Postgraduate Residency Training, General Psychiatry | *Kaiser Permanente Fontana* | July 2016 – June 2019

Doctor of Medicine (M.D.) | *Loma Linda University School of Medicine* | August 2012 – June 2016

Bachelor of Arts in Biological Sciences | *University of California, Irvine* | August 2004 – May 2008

MEDICAL-LEGAL EXPERIENCE

Qualified Medical Evaluator (QME) & Independent Medical Examiner (IME) | *DSLMD LLC — Eastvale, CA* | 2025 – Present

- California Division of Workers' Compensation panel-certified Qualified Medical Evaluator (QME) in Adult and Child/Adolescent Psychiatry.
- Conduct comprehensive psychiatric medical-legal evaluations for workers' compensation, personal injury, and civil liability matters.
- Retained defense expert in civil litigation matters involving psychiatric injury, PTSD, and emotional distress claims in adults and minors.
- Perform independent medical examinations, record reviews, and forensic psychiatric opinions for defense counsel and insurance carriers.

CLINICAL WORK EXPERIENCE

Child and Adolescent Psychiatrist and Medical Director | *Telecare Physician Services – Willow Rock Center | San Leandro, CA* | January 2022 – Present

- Serve as attending psychiatrist and medical director for a 30-bed inpatient adolescent psychiatric hospital (ages 12–17).
- Oversee clinical quality, regulatory compliance (TJC/CMS), physician oversight, and cross-disciplinary care coordination.

- Collaborate with administration on admissions standards, staffing, and program policy development.

Psychiatrist — Overnight Call | *Santa Rita Jail — Alameda County | Dublin, CA | July 2026 – Present*

- Provide overnight on-call psychiatric coverage for incarcerated adult population at one of the largest county jails in California.
- Conduct emergency psychiatric evaluations and medication refills for justice-involved individuals presenting with acute psychiatric symptoms.
- Manage acute psychiatric presentations in a high-acuity correctional setting.

Psychiatrist | *Pacific Clinics | California | June 2025 – Present*

- Provide outpatient psychiatric evaluations and medication management for adult patients.
- Serve adults enrolled in Full Service Partnership (FSP) programs, delivering comprehensive community-based psychiatric care for high-need individuals with serious mental illness.

Physician (Telepsychiatry) | *Telecare Physician Services – Muriel Wright Recovery Center CRT | San Jose, CA | January 2025 – Present*

- Deliver telepsychiatry services to justice-involved adults in a 21-day Crisis Residential Treatment program, providing acute psychiatric stabilization and medication management for patients transitioning from incarceration.

Physician | *Telecare Physician Services – San Bernardino, Stanislaus, Alameda Counties | August 2018 – January 2022*

- Provided psychiatric coverage across Crisis Stabilization Units and inpatient psychiatric facilities via on-site and telepsychiatry modalities.

Child and Adolescent Psychiatrist | *San Bernardino County Department of Behavioral Health | Rialto, CA | August 2021 – January 2022*

- Delivered on-site psychiatric care for children and adolescent patients at Mesa Counseling Services clinic.

Per Diem Adult Psychiatrist | *Kaiser Permanente Psychiatry Department | Rialto, CA | December 2018 – June 2021*

- Provided outpatient psychiatric evaluations and medication management for adult patients.
